Dear Customer,

I am very glad to inform you that Iemca, as part of the Bucci Industries Group, has recently incorporated the company named Bucci Industries UK Ltd. As of today the company is the sole importer of Iemca bar feeders in the United Kingdom and the Republic of Ireland.

I would like to thank 1st Machine Tools Accessories Ltd for all the work carried out in the past decades.

The aim of this investment is to be closer to customers and to the market. Our target is to react promptly to new demands and challenges and to show a solid sign of commitment to you. Our plan is to continue methodically to invest in the organization and keep improving the support in all territories.

The company has its head office in Cheltenham and will keep working with the support of CSJ Enterprises in order to offer you the best possible customer experience.

CSJ Enterprises remains at your disposal for existing running communications.
